

## REFUND POLICY

The following refund policy applies to all players who have registered at Tomball. All Refund requests must be made in writing, by means of email, to the Director of Registration, and copied to the Treasurer, on or before the deadlines stated below. No voicemail requests will be processed.

The policy is necessary to limit the number of changes once a player draft is processed. Any changes after teams are formed create an undue burden on the managers and teams.

1. Players dropping from the league **prior** to the last day of the drafts will receive a full 100% refund.
2. Players dropping from the league **after** the last day of drafts will receive **NO REFUND** without a valid medical reason.
3. Requests should be emailed to [registration@tomballlittleleague.com](mailto:registration@tomballlittleleague.com) and copied to the Treasurer at [treasurer@tomballlittleleague.com](mailto:treasurer@tomballlittleleague.com) with subject line: REFUND. Email should include the following information:
  - a. Players name
  - b. Players date of birth
  - c. League age/division
  - d. Parent Name and Cell Number
  - e. Home mailing address
  - f. Medical documentation as attachment if after the conclusion of the drafts (dates published on website).
4. If you have any questions please contact the Director of Registration at the email referenced above or your assigned Player Representative.

Thank you for your understanding and support of the Little League Program! Play Ball!
