

TOMBALL LITTLE LEAGUE REFUND POLICY – FALL 2020

The following refund policy applies to all players who have registered at Tomball Little League. All Refund requests must be made in writing, by means of email, to Jeanne Foster, Treasurer, at treasurer@tomballlittleleague.com PRIOR to the start of the current seasons drafts/placement on teams.

The policy is necessary to limit the number of changes once teams are drafted. Any changes after teams are formed create an undue burden on the managers and teams.

1. Families who request a refund from the league prior to their child being drafted to a team will receive a full 100% refund.
2. Families who request a refund from the league after their child is drafted to a team will receive NO REFUND without a valid medical reason.
3. Requests should be emailed to treasurer@tomballlittleleague.com with subject line: REFUND. Email should include the following information:
 - a. Players name
 - b. Players date of birth
 - c. League age/division
 - d. Parent Name and Cell Number
 - e. Home mailing address
 - f. Medical documentation as attachment if after the conclusion of the drafts (dates published on website).
4. If you have any questions please contact Jeanne Foster at treasurer@tomballlittleleague.com. Thank you for your understanding and support of the Little League Program! Play Ball!

****Please note that if the season is cancelled prior to teams being formed due to COVID-19, a full refund will be given to each player, minus the Sports Connect service fee. A family can choose to donate their registration fee to the league if they choose to do so. Any season cancellation after teams are formed will be reviewed by the Tomball Little League Board of Directors.**
